

**UTAH STATE UNIVERSITY COLLEGE OF EDUCATION
ADMINISTRATIVE/SUPERVISORY CERTIFICATE PLANNING FORM
For Student with an MEd from Instructional Technology Department**

The following courses comprise the A/SC program for those coming out of the MEd degree in InsT. Some of the courses can be taken in conjunction with the MEd program of study. Those that are required in the MEd program are marked with ^. Some courses may be taken as electives in the MEd program. Check with the A/SC program advisor (currently Dr. Michael Freeman) to see which ones you can take as electives.
